

King William Association Membership Application -- Sept. 1, 2005 - Aug. 31, 2006

Dear Newsletter Reader:

You have been receiving your monthly King William Newsletter addressed to "Resident" at this address as a courtesy of the King William Association in an effort to keep you informed regarding issues and events in our neighborhood. However, neighborhood-wide distribution of the Newsletter and other mailings is costly and time-consuming. All residents, tenants as well as property-owners, are welcome to join the King William Association. If you have been enjoying these communications, we hope you will consider joining the Association. A basic, individual membership of \$10 per year is a great help in defraying the publication and mailing costs of the Newsletter.

In addition to the Newsletter, the KWA publishes an annual members' directory containing, not only the addresses and telephone numbers of its members, a list of KW school-age kids, and the Association By-Laws, but also, several pages of useful numbers, emergency, civic and cultural. Hope to hear from you.

I/We would like to join the King William Association at the membership level indicated below.

Membership Levels

- Individual \$10.00       Associate \$10.00       Family \$15.00       Friend \$25.00

Please see other side for volunteer opportunities in your neighborhood association.

Do not hesitate to call the call the KWA office, **227-8786**, or any board member or former chair for more info on any area of volunteerism. Even if you can only contribute 1 hour, we appreciate your help.

**Holiday Home Tour** (Dec. 3, 2005)

One of KW's longest-running and most popular events. Volunteers are always needed in the following main areas as well as on additional sub-committees:

- House Chair
- Ticket Sales
- Docent

**Would you consider having your house on the Home Tour?**

**Secret Garden Tour** (May 2006)

Organized by KW's Master and talented gardeners, this event is scheduled, weather permitting, for early May.

Volunteers are always need in the following areas:

- Docent
- Planning
- Ticket Sales

**Would you consider having your garden on the Tour?**

**King William Fair** (April 29, 2006)

Contrary to popular opinion that the Fair runs itself, the KWA Board begins planning next year's Fair almost immediately. Hundreds of volunteers are needed in the planning and performance of the Fair. Although Valero Corp. provides 400 volunteers to serve as TABC-approved beer servers, the rest of the Fair is managed via hiring (such as security) and 300 more volunteers. Volunteer opportunities **abound** from pre-Fair Committee work to 2-4 hours stints on the day of the Fair. It's fun. Come and get to know your neighbors!

Several 05 Fair Chairs will be retiring so new chairs are needed. If you are interested in chairing a committee, call the KW office, 227-8786. If you would like to volunteer, please circle your areas of interest below and the chair will contact you.
